This week, we will continue chapter 6 in our Everyday Math series. For **extra Math practice**, you can always go to **Connect Ed** OR **Moby Math/fact fluency**, just like we do in class! Get to them from our Little Leopard Techie page. Your passwords are in taped in your blue folder!

In reading, we will be reading a **Valentine's Day** book about our beloved **Hoppers family** as our nightly **homework book**. Our Lucy Calkin's writing block will also focus on opinion writing and story elements about this book. Many of our **reading groups have been working with chapter books**, so this week, we will also read chapter books during Daily 4 and Guided Reading groups. This book will be completed AT SCHOOL! However, if you would like to bring it back and forth and read it at home too, you are welcome to do so.

** We are also continuing to work on our goal of 10 or more exit tickets by the end of the 9 weeks which is Mar. 20. We are continuing to **check out books from our library that are on our level**. Some students have begun reading chapter books. Students may take their books home, but they **MUST BE RETURNED** each day.
