This week, we will continue chapter 5 in our Everyday Math series. For **extra Math practice**, you can always go to **Connect Ed** OR **Moby Math/fact fluency**, just like we do in class! Get to them from our Little Leopard Techie page. Your passwords are in taped in your blue folder!

In reading, we will be reading nonfiction book about Martin Luther King. IF this book is below your level, you will be given more challenges and challenging books during Reading Groups and centers. If this book is above your reading level, you will be given extra support and help during reading groups and centers.

** We are also continuing to work on our goal of 10 or more exit tickets by the end of the 9 weeks which is Jan. 10. We are continuing to **check out books from our library that are on our level**. Some students have begun reading chapter books. Students may take their books home, but they **MUST BE RETURNED** each day.
