This week, we will finish chapter 5 in our Everyday Math series. For **extra Math practice**, you can always go to **Connect Ed** OR **Moby Math/fact fluency**, just like we do in class! Get to them from our Little Leopard Techie page. Your passwords are in taped in your blue folder!

In reading, we will be reading fiction books. Many of our reading groups have been working with chapter books, so this week, many of you will be assigned a chapter book for the next TWO WEEKS! This book will be sent home with a sheet that tells which chapters to work on reading each day. If you were given a book that is not a chapter book yet, it too will be broken down in a way to spend THE NEXT TWO weeks on it.

** We are also continuing to work on our goal of 10 or more exit tickets by the end of the 9 weeks which is Mar. 20. We are continuing to **check out books from our library that are on our level**. Some students have begun reading chapter books. Students may take their books home, but they MUST BE RETURNED each day.
