This week, we will begin chapter 5 in our Everyday Math series. For **extra Math practice**, you can always go to **Connect Ed** OR **Moby Math/fact fluency**, just like we do in class! Get to them from our Little Leopard Techie page. Your passwords are in taped in your blue folder!

In reading, we will be reading book about penguins . If this book is below your level, you will receive enriching activities to challenge you during Daily 4 and guided reading time. If it is above your level, you will receive additional support during that time .

**** We are also continuing to work on our goal of 10 or more exit tickets by the end of the 9 weeks which is Jan. 10. We are continuing to check out books from our library that are on our level. Some students have begun reading chapter books. Students may take their books home, but they MUST BE RETURNED each day.**
